

BRUSHES USED IN DARRELL'S CLASSES

Any Brand will do. I generally use either Bob Ross or Simply Simmons brands, but just about any brand will do. Simply Simmons averages around \$3.97 each. **Make sure you bring these brushes to every class.** I will not have any brushes to lend or sell. You will also need to bring a desktop easel, and if you like a package of baby wipes and Paper towels or paper napkins. We supply all other art materials for each Senior Center class. I strongly suggest you bring a canvas carrier or a pizza box that can hold a 12"x16" wet canvas for you to safely carry your painting home.
