Join with Darrell Crow, professional art instructor, as he leads each student step-by-step throughout this masterpiece. Anyone can paint Zebra even if they've never held a paint brush before.. No special talent, experience, or skill required. Darrell has helped tens of thousands of everyday people just like you learn to oil paint and he can help you.

***Call your Senior Center and register for class today.***

**We provide** the canvas, all paints, palette paper, masking tape, non-solvent oil painting mediums, and paper towels

**Students are to provide** their own paint brushes and a tabletop easel. (Brush List On Reverse side).

## **BRUSHES USED IIN DARRELL'S CLASSES**

Any Brand will do. My brushes are Simply Simmons averaging \$3.97 each. I also like the Bob Ross Brand of Brushes. Feel free to substitute with any other brand desired. Make sure you bring these brushes. I will not have any brushes to lend or sell You will also need to bring a desktop easel, and if you like, a package of baby wipes and Paper towels. We supply all other art materials for each Senior Center class. I strongly suggest you bring a canvas carrier or pizza box that can hold a 12"x16" wet canvas so you can safely carry your painting home.
